My Dear Colleague

In connection with the death of the citizen of Romania, Claudiu Crulica, in a Polish detention centre as the result of a hunger strike, I would like to express my sorrow, sadness and shame.

We are all shocked by this tragedy and we are all asking how this could have come about.

I would like to assure you that I will make every effort, with full determination and with all the powers at my disposal, to establish the causes and all the circumstances of this matter.

I will try to inform you immediately about the effects and the consequences of my activities in this case.

*Yours very sincerely,
Janusz Kochanowski.*
