Dear Colleague

I would like to inform you that the case concerning the situation of Polish employees employed by Zetka Auto s.r.o. and working at Skoda Auto s.a. plant in Mlada Boleslav once again became the subject of interest for media in Poland.

On 28 January 2008, the *Rzeczpospolita* daily published an article entitled "Polish employees discriminated at Skoda" (Enclosed you will find the print-out of the article from the website). The article stated that you had presented a report to the Chamber of Deputies of the Parliament of the Czech Republic which included the information about the observance of employee rights of Polish economic migrants.

In relation to the above, I am sending you the printout of the said article and I would like to ask you, taking into account our earlier cooperation (letter of 12 November 2007, ref.: 5998/2006/YOP/JB), to provide me with information about the current state of affairs in this case.

Yours sincerely

/-/ Janusz Kochanowski
